Some courses may allow guest access

Is this your first time here?

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses may also have a one-time "enrolment key", which you won't need until later. Here are the steps:

1. Fill out the New Account form with your details.
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. Now, select the course you want to participate in.
6. If you are prompted for an "enrolment key" - use the one that your teacher has given you. This will "enrol" you in the course.
7. You can now access the full course. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access **any course you have enrolled in.**

©2015 ASCIA
ASCIA | Contact | Feedback | Help | Privacy | Website: Impagination

3. You will then go to the page to fill in your details.

Creating an account

4. Fill out your details here.
Tick the Unmask button and you will see the password you are typing in.

Creating an account

5. Make a note of the password.

Remember the password needs to have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 non-alphanumeric [for example \$%?].

6. Click on Create my new account. If you have filled things out okay the page will close.

The screenshot shows a web browser window with the URL <https://etraining.allergy.org.au/login/signup.php>. The page is titled "New account" and is part of the "ASCIA anaphylaxis e-training" website. The form is titled "Choose your username and password" and includes the following fields:

- Username***: Input field containing "suzanne".
- Password***: Input field containing "Blue*yes4". A checkbox labeled "Unmask" is checked. Below the field, a note states: "The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 non-alphanumeric character(s)".
- More details**: A section containing several input fields:
 - Email address***: Input field containing "izanne@impagination.com.au".
 - Email (again)***: Input field containing "izanne@impagination.com.au".
 - First name***: Input field containing "Suzanne".
 - Surname***: Input field containing "Hewitt".
 - City/town**: Input field containing "Burwood East".
 - Country**: Dropdown menu set to "Australia".
- Information**: A section containing several dropdown menus and input fields:
 - Correct email address to receive authentication email***: Dropdown menu set to "Yes I have checked and entered my email address correctly".
 - State (AU) / Island (NZ)***: Dropdown menu set to "VIC".
 - Postcode of workplace (or home)***: Input field containing "3151".
 - Employment Type***: Dropdown menu set to "Other (please specify below)".
 - Employer/School Name (or "Casual" if applicable)***: Input field containing "Impagination".
 - Other**: Input field containing "Web".

At the bottom of the form, there are two buttons: "Create my new account" (highlighted with a red box) and "Cancel".

Creating an account

- If not there will be a message at the area that requires attention/change.
If the username is taken add some numbers or more letters.
The password must be 8 or more characters.

The screenshot shows a web browser window with the URL <https://etraining.allergy.org.au/login/signup.php>. The page title is "New account". The browser's address bar shows the URL and the page title. The page content includes a navigation menu with links like "About courses", "Course selection", "FAQs", "Help", "Certificate Help", and "ASCIA Links". The main content area is titled "ascia anaphylaxis e-training schools and childcare" and "australian society of clinical immunology and allergy". Below this, there is a "NEW ACCOUNT" section with a "Collapse all" button. The form is divided into several sections: "Choose your username and password", "More details", and "Information". The "Choose your username and password" section has a "Username*" field with the value "suzanne" and a red error message: "This username already exists, choose another". Below it is a "Password*" field with a red error message: "Passwords must be at least 8 characters long. Passwords must have at least 1 digit(s)." and an "Unmask" checkbox. The "More details" section has an "Email address*" field with the value "suzanne@impagination.com.au" and a red error message: "This email address is already registered. New password?". Below it are fields for "Email (again)*", "First name*" (Suzanne), "Surname*" (Hewitt), "City/town" (Burwood East), and "Country" (Australia). The "Information" section has a "Correct email address to receive authentication email*" dropdown menu with the value "Yes I have checked and entered my email address correctly". Below it are fields for "State (AU) / Island (NZ)" (VIC), "Postcode of workplace (or home)*" (3151), "Employment Type*" (Other (please specify)), and "Employer/School Name (or 'Casual' if applicable)*" (Impagination). At the bottom of the form, there are two buttons: "Create my new account" and "Cancel".

Creating an account

- Once all the changes are made click on Create my new account.
If you have filled things out okay the page will close.

The screenshot shows a web browser window displaying the ASCIA anaphylaxis e-training website. The browser's address bar shows the URL <https://etraining.allergy.org.au/index.php>. The website's navigation menu includes links for "About courses", "Course selection", "FAQs", "Help", "Certificate Help", and "ASCIA Links", along with a "Log in" button. Below the navigation is a banner image featuring three photos: a woman and a child with a dandelion, a child eating watermelon, and a man and child eating together. The main content area is divided into three sections:

- Schools courses:** Includes a photo of children on a climbing frame. Text: "For Australia or New Zealand: ASCIA anaphylaxis Australasian schools 3: 2014 >>>" and "For Queensland: ASCIA anaphylaxis Queensland schools >>>". A "Create account" button is at the bottom.
- Childcare course:** Includes a photo of two children. Text: "Select this course if you work in childcare in Australia or New Zealand." and "ASCIA anaphylaxis Australasian childcare >>>". A "Create an account" button is at the bottom.
- About ASCIA e-training:** Includes a photo of a group of children. Text: "Information about ASCIA anaphylaxis e-training for schools and childcare developed by ASCIA the peak professional body in Australasia for allergy and clinical immunology." A "Learn more here" button is at the bottom.

At the bottom left, there is a "NAVIGATION" section with a "Home" link. At the bottom right, there is a text box that reads: "Select the course based on your area of work either **schools** or **childcare**." Below this, it says "ASCIA anaphylaxis e-training for childcare has been approved by the Australian Children's".
